Utah Fall Conference on Substance Use

Where innovation, collaboration, and professional growth take center stage.

October 21–23, 2026

At its core, this conference is designed to connect key stakeholders, decision-makers, and frontline professionals in the Substance Use Industry across Utah and beyond. The conference will provide high-quality education, fostering cross-system collaboration, strengthening clinical practice, and advancing better outcomes for the individuals and communities.

This is your opportunity to:

- Connect with 1400+ leaders, policymakers, and mental health professionals
- Amplify your organization's visibility and influence
- Support impactful educational experiences that drive real change
- Build lasting partnerships across systems of care
- Strengthen your presence
- Get your own staff trained.

Scan the QR code to review available opportunities and secure your space.

Submit your completed form by July 10 to secure your exhibit. Don't delay—respond today. Space will be limited.
